SERVICE OFFERINGS

TRAINER CERTIFICATION

Student(s) will go through their respective track's core course (32-40hrs) followed by Train-the-Trainer qualification mentoring program (16hrs). All Trainer certifications are taught by Certified Lead Instructors with years of classroom and practical experience. Graduating Trainers will receive Exemplar Global Certifications (core course) and Certified Trainer credentials.

STANDARD CLASS BUNDLE

Ready to begin teaching courses on your own? Choose our site-level or enterprise license option to access ready-to-go material. Our standard option includes PDF bundles of our student course material plus the instructor notes version, giving you the play-by-play insights to facilitate our classes on your own. Teach the courses in-house like our instructors have for over 20 years!

PREMIUM CLASS BUNDLE

This service level includes enterprise licensing and editing rights so you can modify native files to meet your specific needs. Update material as requirements change or customize files to fit your brand standards. Our premium option also includes setup of your own online classroom in our LMS. We also offer white label and customized service add-ons.

Course add-ons include exam and certification administration (i.e. final exams and issuance of certificates), Exemplar Global certification upgrades, updating material to fit your brand standards and more. Need additional courses beyond those listed above? Hire us to create a new course or customize an existing course specifically for you. Ready to learn more? Schedule a free demo.
